

Variation Study

LAMP TABLE I
Black Walnut, Concrete, Oil Varnish Blend,
Bee Carnauba Blend

L 560mm x W 420mm x H 700mm
Edition of 10, £2400 (ex. VAT)

This series is a study into how variance can be achieved within a set of defined specifications. I was inspired by a quote from Frank Lloyd Wright which got me thinking how important individuality is and how repetitive manufacturing processes can sacrifice this need. "There should be as many (styles) of houses as there are kinds (styles) of people and as many differentiations as there are different individuals" - F.L. Wright
